

Carnation Farmers Market Non Profit Booths

Non Profit booths should ideally be reserved prior to Market season in order to be added to the Market calendar of events. Applications will be accepted as late as one week before the desired Market day.

Each week at Market we provide opportunity for non-profit organizations, City of Carnation, and municipality outreach programs to host a booth at the Market to outreach to our Market customers to:

- ✓ provide an opportunity for our customers to learn about local non-profit organizations
 - ✓ support non-profits in our community
 - ✓ provide a venue for cities and municipalities to educate the community about special projects and educational outreach efforts
-
- Prioritization will go to non-profits with a strong membership base or involvement in Snoqualmie Valley and those with educational outreach related to sustainability, community, and health.
 - The Market can provide a 10x10 canopy (in some cases, with prior notice, this will be shared with another organization) and a 6' folding table. Participants must provide their own chairs, booth displays and garbage disposal. Booths must be staffed from 3-7pm.
 - Please see Market Rules for set-up, breakdown, etiquette and other applicable rules.
 - Fundraising efforts (such as raffle tickets, t-shirt and cookie sales) require permission of Market Manager and shall be limited to appropriate items which do not compete with regular Market vendor sales, match the Market ethic of healthy, local, and organic, and are in accordance with the health code.

If you are interested in a non-profit/community outreach booth please fill out the application. Feel free to contact our Market Manager with any questions:
